SONG: **TUNARUDI NYUMBANI BY BERNARD MUKASA**
SINGERS: **ST. KIZITO CHOIR, MAKUBURI PARISH**
ENGLISH SUBTITLES: **DICKSON G. NYAMWIHULA**

INTRO
Huku tulikuja kwa sababu ya ujinga,
By reason of ignorance, we are where we are.
tulipomuasi Mungu tukafukuzwa, na tukayapoteza mazingira ya asili,
When we rebelled against God, we lost the privilege to dwell in nature,
ndipo tukaondoka Edeni pazuri mno,
and we were cast out of the most beautiful Eden
Na tukajileta hapa kwenye mazingira ya ovyoovyo, yaharibiwayo na mioyo yetu migumu.
We then made our way into a disorderly environment, deteriorated by our hardened hearts.
Wenyewe sasa tumechoka mazingira ya bandia, na hatutaki tena mazingira ya hivi
We are now fed-up with the unnatural environment and no longer want to dwell into it

CHORUS
Tunarudi nyumbani tulikoumbiwa,
We are going back home, the place created for us,
tunarudi nyumbani kule kwa kwa kijani,
We are going back to our green home,
tunarudi nyumbani kwenye hewa safi
We return home, the place with abundant fresh air,
Tunarudi nyumbani mvua ya kiasi,
We return home, the place with moderate rain,
tunarudi nyumbani kwenye jua bila ukame,
We return home, the place with pleasant sunshine without drought,
tunarudi nyumbani kwenye uhai
We are going back home, the home filled with life.

MASHAIRI
1. Nyumbani kwetu kuna hewa safi,
   Our home is blessed with fresh air,
   hewa salama isiyo na carbon,isiyojaa moshi, hewa asili
   Its air is carbon-free and without smoke. Its air is natural.
2. Nyumbani kwetu kunatabirika, joto kiasi, baridi kiasi
   Our home's weather is predictable,
   mvua kwa majira, jua kwa majira
   It rains and shines in known seasons,
3. Nyumbani kwetu vyakula ni vingi,
   Our home has food in abundance,
   asili yake ni kuumbwa kwake, havina kemikali wala nyongeza
   Its food is natural as was created. It is free from chemicals and additives.
